Depending on the weather conditions, organizer may change round times, durations and flight durations. Contest director will announce the changes latest 5 minutes before opening of the round.

June 2, 2024 (Sunday) is reserve day for all categories and all rounds.

If the wind speed is constantly more than 8 meters/second, the organizer may decide to finish the competition normal rounds after fifth round, reduce the maximum flight time or postpone the remaining rounds to the reserve day.

In F1A, F1B, F1C fly-off rounds, if the wind is constantly more than 5 meters/second or if the weather is highly rainy, fly-off will be on June 2, 2024 (Sunday) morning after 06:30 o'clock. In this case, the duration of the round is 7 minutes and the maximum flying time is 10 minutes.

In F1A, F1B, F1C categories, there will be a pole and timekeeper for the group of competitors. If there is a free official timekeeper, it is possible that this timekeeper will keep time for the competitor from another pole.
